Name: _____
(First, Middle and Last – Please Print)

Address: _____

Phone: Home: _____ Cell: _____

No hand delivered permits will be excepted or approved. All permits must be mailed to the address at the bottom of this permit form for approval.

Jug Fishing Guidelines:

- Must be a property owner and a member in good standing (all assessments are paid and current) to apply for a jug permit. **No permits for “guests” will be issued.**
- Must have a current Annual Sticker on vehicle and current Annual sticker on Boat.
- Jug permits will be filled out and submitted to the Board of Directors for approval **before** jug fishing of Fern and Sunset Lakes (only) is permitted.
- Anyone under the age of 14 must be accompanied by an adult.
- Approved and signed jug permit **must be in your possession (on your person) at all times** when fishing in this method.
- A permit must be requested for each individual fishing in this manner and in possession of fish.
- **Only Catfish** can be removed from these lakes per this method (this type of fishing is specifically designed for Cat-fishing). In the rare case that other fish are caught via this method they must be returned to the lake in which they were caught, **no exceptions.**
- **Only five (5) jugs per person** or **Only ten(10) jugs per boat** (with an approved permit) are allowed in these lakes at anytime.
- **Only five (5) fish per person** (with an approved permit) may be kept per day.
- Fishing hours via this method are from dawn to dusk, all jugs **must be removed daily.**
- Owners of permit fishing in this method must maintain proximity of jugs at all times. **For example:** You can not put jugs in one lake and then move to another lake and come back later and pick up jugs. **In other words, you leave the lake, you take your jugs with you.**
- **All jugs must be labeled with the following:**
 - *Permit Number* (Issued by the Board)
 - *Name* of permit holder
 - *Address* of permit holder
 - *Phone number* of permit holder
- **All fish caught must be registered** identifying *length and weight* at the following email address for the Lake Quality Committee Biologist to ascertain restock and evaluation of program at the end of the year trial period: Email to register catch is: springbrookjugfishing@gmail.com
- **Jug fishing of Springbrook and Blair lakes is prohibited.**

I, the above named individual agree with the terms identified above in the Jug Fishing Guidelines and understand if I violate any of the above guidelines that my jug fishing permit will be revoked and I also agree that I will be suspended from fishing all Springbrook Lakes for a period of one (1) year if I violate these terms.
